STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: Nevada

METHOD FOR ISSUANCE OF MEDICAID ELIGIBILITY CARDS
TO HOMELESS INDIVIDUALS

Nevada does not require a person to have a home address to be eligible for Medicaid. The person may have his Medicaid card mailed wherever it is convenient (e.g., a friend or relative's address or general delivery or other legal address). This is the same method used for anyone applying for Medicaid. There is not a different method specifically for homeless individuals.
